By the Sea

Ten Years Later...

This day, I don't know why...

Maybe it was „due to the beautiful weather“ I was so warm. .

It was an atmosphere only the exceptional days would have..

For all reasons, in particular, that I was..

At one moment...

...I wondered what made
this place so peaceful...

Maybe, simply, the air? The air around the river seemed different...

The feeling of peace
was like the warm air...

A chunk, a bracket between all the ordinary days...

It's true...What good is there
in precluding ourselves constantly...

Someday, I walked alongside the pathless edge of the river.
